

Triware Networkworld Systems

Newsware™

Letter From The Editor:

Welcome to Triware Networkworld Systems monthly Newsware, bringing you the latest in Information Technology. In this issue, we would like to discuss various ways of setting up enterprise storage architecture. Please also feel free to e-mail us with helpful links, upcoming events, topics you'd like to learn more about & questions for our engineers. Thanks for reading!

Computer Storage Architecture - From Ancient Stone Age to Modern Computer Storage

Our ancestors used to carve on stones to record their important events, histories and stories. Then, the Chinese invented paper and methods for mass producing it some three thousand years ago, after getting tired of carving on stones and bamboo. This made storing information much easier and less labor-intensive...
